This form is available for Montana citizens to report suspicious election activity and/or any activity surrounding the collection of signatures for ballot measures. This completed report will allow the Montana Secretary of State to create a record of possible election violations, so that the office may document allegations and refer any questionable actions to the appropriate County Attorney, or the County Election Administrator. You may be contacted to provide additional information about the alleged incident. If this complaint involves signature gathering for a ballot issue, the sponsor of the ballot issue in question may be sent a copy of this complaint.

The Office of the Montana Secretary of State is not responsible for campaign or lobbying issues. A separate agency, the <u>Commissioner of Political Practices</u>, has jurisdiction over campaign finance and campaign activity. The commissioner also monitors and enforces laws relating to lobbying disclosure and ethical standards of conduct for legislators, public officers, and state employees. If your complaint involves campaign finance or campaign activity, the complaint should instead be filed with the <u>Commissioner of Political Practices</u>.
